Get Ready to download the new Reach More Parents App

Dear parents/carers,

Here at [School name], we are always looking for new ways to improve communications with our parents and carers. In the next few weeks, we are delighted to be launching Reach More Parents - a new digital communications tool specifically designed for parent and Academy staff communications.

Reach More Parents allows you to see live updates about your child's education, meaning you will never miss a moment of your child's learning Journey.

Receive alerts and keep updated with School News, Trips, Learning Activities, Important Announcements, Key Dates and Events, Attendance Information and much more!

We'll soon be providing all the information you need to get started. This will include an enrolment message, and both priority one and two contacts with parental responsibility will be sent an enrolment code.

Stay tuned for your enrolment message and further instructions — coming soon!

As a school, we are very excited about what Reach More Parents has to offer, and we look forward to welcoming you on board with us on our exciting journey to successful communication.

Kind regards,

ReachMoreParents is coming soon: letter for staff

Coming soon!

Dear Staff,

We are sure you will agree that communication isn't always easy when working in a school. As you know, we are always looking for new ways to improve communication with our parents, without adding unnecessary pressure to you, as our staff. With this in mind, within the next few weeks, we will be launching Reach More Parents as our main source of communication in school, with the aim to make all of our communications quicker and easier, whilst keeping everything all in one place.

Reach More Parents is a digital communications tool which allows us to share a wealth of important information in a timely manner to our parents. It provides a great platform for us to notify them about a variety of things, including key dates in the term, upcoming trips, activities

their child has taken part in, as well as many other things. Reach More Parents will also allow you to message parents directly.

We will be starting the enrolment process over the next few weeks which will include training to ensure we are getting the best out of the system. Following this, we will send out further instructions to staff and parents on how to enrol on the Reach More Parents app/access the web platform and how to navigate the different areas that are included in the software.

We are very excited about what Reach More Parents has to offer to enhance communication in our school, and we look forward to having you all on board with us.

Kind regards,
